## **Vigilan Recognized For Second Consecutive Year on Inc. 5000— America’s Fastest-Growing Private Companies List**

*Vigilan ranks No. 2168, experiences three-year sales growth of 146% percent*

PORTLAND, Ore., August 17, 2009 —Inc. recently unveiled Vigilant as No. 2168 on its annual ranking of the 5,000 fastest-growing private companies in the United States.

Vigilan has demonstrated a 146% growth rate over the past three years.

The 2009 Inc. 5000 represents the most comprehensive look at the most important segment of the economy—America’s independent-minded entrepreneurs. Vigilant joins the ranks of companies like Vizio, GoDaddy and Zipcar who are among the prominent brands featured on this year’s list.

“Savvy trend spotters and those who invest in private companies know that the Inc. 5000 is the best place to find out about young companies that are achieving success through a wide variety of unprecedented business models, as well as older private companies that are still expanding at an impressive rate,” said Inc. 5000 project manager Jim Melloan. “That’s why our list is so eagerly anticipated every year.”

“This recognition is a direct result of the dedication and passion of our employees. Many software companies can claim financial achievement, but our employees ensure our software is truly working for each and every senior living community,” said Doug Fullaway, president and COO of Vigilant. “Our customers take pride in knowing they are providing the best care for their residents. It’s been a rewarding experience to see their commitment go above and beyond just implementing software to really ensuring the system is working for them.”

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found on Inc.com. To qualify, companies must have been founded and generating revenue by the first week of 2005 and continued growth through to December 31, 2008. Each company

must be privately held, for profit, and independent—not a subsidiary or division of another company.
